

We in SosDem UiS will work to achieve a fair society. We're united by the social democratic ideals of liberty, equality and solidarity. Together we build our future.

We wish to:

- **Have more optional subjects across study programmes**
- **Establish Y-vei to studies programmes under the Faculty of Health Sciences**
- **Establish a common lost and found centre for both campuses**
- Work to improve wardrobes and showers in KA and HL buildings
- Work for bike parking and corresponding wardrobe for students
- Continue fighting for more water dispenser
- Over time, ensure that all lecturers have pedagogical skills
- Establish a coffee deal in UiS cantinas (like what Circle K offers)
- Establish more places for different cultures to meet
- Make exams in professional studies less theoretical
- Make the university support the Palestinian cause

Outside of the student parliament we wish to:

- **Give all refugees the same good treatment, regardless of background**
- **Make 50% of the student loan a stipend**
- **Establish psychology and medicine studies at UiS**
- Return free education for students outside EEA
- Combine Kolumbus youth and student ticket, and keep the price at 299 NOK
- Guarantee all children of students a slot in public kindergarten
- Work for a bus-route between the different colleges in the area
